

Rhode Island Quarter Design Recommendation

***Deadline for design concepts—
May 14, 1999***

In 2001 the U.S. Mint will produce over 700 million quarters honoring the State of Rhode Island, as part of its Fifty States Commemorative Coin Program. Here is your chance to submit a design concept for what should be on the back of the Rhode Island Quarter.

“Each and every one of us is familiar with the image of George Washington’s profile that appears on the front of the quarter. Our challenge is to decide what goes on the flip side.”

Governor Lincoln Almond

I think the back of the Rhode Island quarter should be (100 words or less, please):
